To configure 'Heavy Bulky Goods' allowance, changes need to be made in the Vehicle Journey Rate Category, Expense Item and Financial Export Report (if applicable).

A rate for heavy bulky goods must first be entered within the Vehicle Journey Rate Category. For more information, view [Manage Vehicle Journey Rate Categories](#). Once the vehicle journey rate has been configured, the 'Heavy Bulky Goods' option can be enabled on any applicable mileage expense item, in order to increase the pence per mile reimbursement.

1. Navigate from the Home page to **Administrative Settings | Base Information | Expense Items**.
2. Using the search filter, locate the expense item you would like to modify and click edit .
