Permissions

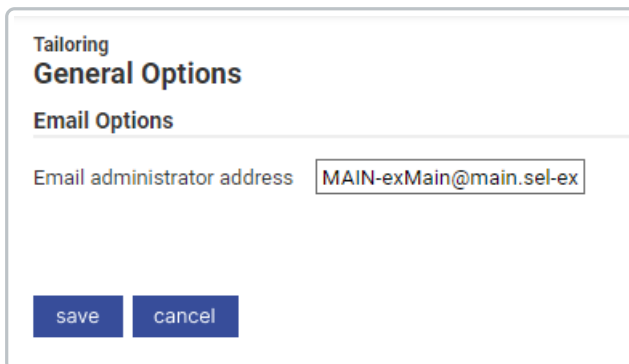

You will require an Access Role with the following permissions:

- General Options

1. Navigate from the **Homepage** to **Administrative Settings | Tailoring | General Options**.

2. From the Page Options menu, click **Email Options**.

A screenshot of a web application's "Tailoring" page. The page is titled "General Options" and has a sub-section for "Email Options". There is a text input field labeled "Email administrator address" with the value "MAIN-exMain@main.sel-ex". At the bottom of the form, there are two buttons: "save" and "cancel".

Option	Description
Email administrator address	The email address where system notification emails will be sent from.

3. Click **Save** to confirm or **Cancel** to discard any changes and return to the Tailoring page.
