

Expenses Mobile - Download Instructions

Last Modified on 28/08/2020 3:48 pm BST

iOS - App Store

To use the App Store, your Apple device must be connected to the internet. You will also need an iTunes™ Store account to download applications. If you don't already have an iTunes Store account, open iTunes on your computer and select **Store | Account** to set one up.

To download Expenses Mobile from the App Store on to your device, follow these steps:

1. From the Home screen of your Apple device, tap the **App Store** icon.
2. Tap **Search**.
3. Enter 'Expenses Mobile' and search.
4. Tap the **Expenses Mobile app** from the list of search results.
5. Tap **Get** and then tap **Install**.
6. Enter your iTunes Store account and password and then tap **OK**.

Android - Google Play Store

To use the Google Play Store, your Android device must be connected to the internet. You will also need a Google Play Store account to download applications. If you don't already have an account, open Google Play on your computer and select **Store | Account** to set one up.

To download Expenses Mobile from the Google Play Store onto your device, follow these steps:

1. From the Home screen of your Android device, tap the **Google Play Store** icon.
2. Use the search bar at the top of the page to enter **Expenses Mobile**.
3. Tap the **search icon**.

4. Tap the **Expenses Mobile app** from the list of search results.

5. Tap **Install**.

6. Tap **Accept**.
