April - (11/04/19)

Date: 10/04/19
Version: 2019.4.11.1

Enhancements

- We've updated the text on the 'Exchange Rate Overriden' flag so that it is more user friendly. (163336)

Bug Fixes

- Fixed an issue where archived Cost Codes were being retrieved when using the API. This issue also caused archived Cost Codes to display on the Add Expense page within Assure Expenses Mobile. (158396)

- Fixed an issue with the API that was causing inconsistent flag behaviour on Assure Expenses Mobile. (160518)
