July - (04/07/19)

Date: 04/07/19

Version: 2019.7.3.1

Bug Fixes

- Fixed an issue where claim reminder emails were not being sent correctly for certain users. (166369)

- Fixed an issue where card statement imports were failing for monthly automatic card providers. This only occurred in certain circumstances due to the way that dates and times are stored within Assure Expenses. (165877)
