# November - (29/11/19)

*Date: 29/11/19*

*Version: 2019.11.29.1*

*Type: Out of schedule*

## Performance

- We've continued improving the speed and performance of the Check & Pay page. (170022)(170455)

## Bug Fixes

- Fixed an issue where automatic corporate card imports were failing due to certain data exceeding the max character length set for the fields. (170777)

- Fixed an issue where automatic corporate card imports were failing if they included transactions using Australian Dollars. (170776)
