

June - (12/06/20)

Last Modified on 12/01/2023 2:43 pm GMT

Note: The 'Delegates' feature has been made available today within Assure Expenses Mobile without the need to download a new version of the app. The following users will automatically have access to the Delegates feature:

- Android - Users on version 1.44.0 or later of Expenses Mobile.
- iOS - Users on version 1.43.0 or later of Expenses Mobile.

Android

Date: 12/06/2020

[Visit the Play Store to download the latest version](#)

New Feature

- We're delighted to announce that we have added the 'Delegates' feature to Expenses Mobile! This feature works as it does on the web version of Assure Expenses, with named delegates having the ability to:
 - Sign in as another user.
 - Create claims, add expenses, and approve claims using Check & Pay.
 - Add Advances and Holidays.
 - Use the Receipt Wallet. (91376)

For more information on how to use the new Delegates feature, view [Log in as a Delegate](#).

iOS
