Date: 07/12/2023

Version: 2023.12.4.2

Enhancements

- We've made an enhancement to the driver compliance pack in the Duty of Care module to update the driving licence lookup services to the latest version. (192876)
- We've added a new conditional option to the sign-off groups definition to allow a claim to be directed to another approver based on the reimbursable claim amount. (192906)
- We've changed the card provider Arbuthnot 678-2 to Renaissance so that it does not get confused with the card provider Arbuthnot 678. (193562)
- We've added a new option for the import of Barclaycard 1155 credit cards for reconciliation in the Expenses system. (193667)
- We've made an enhancement to allow the update of the driver details when you provide consent for the driving licence lookup. (193942)
- We've added a new option for the import of Arbuthnot Asset Alliance 678 credit cards for reconciliation in the Expenses system. (193947)

Bug Fixes

- We've fixed an issue that prevented the emails for the Framework contract review from being sent. (193708)
- We've made improvements to our metrics and error logging. We added additional traces for ESR GO1 outbound service to help identify the problem if an error occurs during the transfer. (193759)
- We've made improvements to our metrics and error logging. We removed unnecessary spans for calls when saving API logs in the database through the ESR Go2 NHS Service. (193769)
- We've fixed an issue that appeared when you clicked the 'Please select a claim' option instead of selecting an actual claim, which redirected you to a Server Error page. (193792)
