

# Release Notes - 19 May 2025

Last Modified on 19/05/2025 1:35 pm BST

*Date: 19/05/2025*

*Version: 2025.5.16.1*

## Bug Fixes

- We've fixed an issue for the Duty of Care manager approval process. The notification was not being sent to the line manager when a new vehicle document was added, advising them that there was a document awaiting approval. (200784)
