

Assure Expenses FY25 Q3 & Q4 | Highlights and New Features

Last Modified on 20/05/2025 3:10 pm BST

We've been busy in the second half of FY25, delivering a wave of enhancements to **Assure Expenses** – from performance upgrades and audit improvements to smarter compliance and document handling. These updates are already helping organisations work smarter, stay compliant, and reduce admin.

📄 Here are just a few highlights from Q3 & Q4:

- **Duty of Care module upgraded** – now powered by microservices
- **New reminders** – new alerts for managers when driver compliance reviews fail
- **Smarter mileage claims** – prevents drivers claiming as a driver and a passenger
- **Delegate restrictions** – improved access control for driver compliance information
- **Audit log enhancements** – expanded tracking and claim-specific search
- **Foreign currency refund support** – better handling of corporate card refunds
- **Improved employee deletion checks** – clearer reasons when records can't be removed
- **Driver Compliance menu revamp** – more intuitive access to vehicle and licence records
