

# Assure Expenses FY24 Q3 & Q4 | Highlights and New Features

Last Modified on 24/11/2025 1:39 pm GMT

We're pleased to share an overview of all the new and enhanced features we introduced to **Assure Expenses** throughout the second half of FY24. We introduced a range of new features in Expenses, enhancing functionality and improving user experience.

Your feedback and ideas have played an essential role in shaping these improvements, and we're excited to bring you new functionality and updates that better support your expenses process. ☒

☒ Here are some of the highlights:

- **Assure Expenses integration with Optima** for enhanced claim flagging, enabling real-time alerts to verify claims against rostered duties and improve claim accuracy.
- **Mobile app updates** such as selecting your own landing page, a new claim approval option, new features for managing nominated work addresses, and more.
- **Enhancements to driver licence checking services**
- **Enhancements to claim approval options** that allow claims to be redirected to a different approver if the reimbursable amount exceeds a specified value.
- **New 'Nominated Base' column** in the 'Work Address' summary grid on both the employee record and the user's 'My Details' page.
- **New columns to the 'Employee Details'** for the NHS ESR 'Assignments' table in the 'Work' tab.
