Release Notes - 29 September 2025

Date: 29/09/2025
Version: 2025.9.25.3

Enhancements

- We've implemented new email notifications for system administrators regarding automatic data removal settings. The notifications remind you when the automatic data removal option is enabled and when information is due to be automatically removed from the system, based on your GDPR configuration settings. The reminders are sent at intervals defined by your notification frequency settings, and may include multiple alerts, depending on the configuration. (201231)

Zendesk (for system administrators): As a system administrator you can subscribe to Zendesk for more information. To access Zendesk, please click here.

To receive email notifications with information about the latest articles and new comments added to sections, you can subscribe to Zendesk by clicking **Subscribe**. Within the hyperlinked Zendesk article there is a 'How to' guide that informs you how to subscribe and receive email notifications.
