Enhancements

- We've made enhancements to the mobile app to improve how the system handles the 'Relocation Mileage' and Fixed Excess Mileage' expense types. For the 'Relocation Mileage' expense type, we've added the 'Allowance' checkbox and the 'How many miles did you complete?' field, which is displayed as read-only. For the 'Fixed Excess Mileage' expense type, we've added the 'Claim Fixed Excess Mileage' checkbox and the 'How many miles did you complete' field, which is displayed as read-only. (200523)
