

Assure Expenses | Logon Page New Design

Last Modified on 19/10/2026 12:18 pm BST

Towards the end of October 2026, you will notice a refreshed look and feel across the Expenses pages when using the desktop version.

These updates are designed to make the system easier to navigate, with a cleaner, more visual, and more modern design that helps you find what you need more quickly.

There are no changes in how you complete your usual tasks, such as logging in.

The design changes apply only to the desktop version of Expenses. The mobile app is not being changed.

Logon Page New Design

As of October 2026, the Logon Page is being modernised from this design:

Company ID		?
Username		?
Password		?
Remember Details	☐	?
We advise you not to select remember details if you are using a public or shared computer.		
		logon

 **Assure Expenses**

login with SSO

forgotten details

register

To this:

Sign In

Company ID

Username

Password

If you do not know your details please select "forgotten details" to have them emailed to you. If you cannot retrieve your details please consult your administrator.

☐ Remember Details

We advise you not to select remember details if you are using a public or shared computer.

Sign in with SSO

[forgotten details](#)

[register](#)

The design is more modern, better spaced for easier reading/completing, brings the options together in a more logical sequence, and provides additional guidance about password reset.

Signing In

Although the design has been updated there are no changes to your credentials or how you access the system.

The URL to navigate to the logon page will stay the same: www.sel-expenses.com

If your system has been configured for Single Sign-on (SSO), access remains the same and you should select the **Sign in with SSO** option and enter your company email address.

If your system is still being used with username and password, these will not be changed and you should enter your **Company Id**, **Username**, and **Password**, as normal then click on the **Sign in** option.

Once you provide your user information you will be authenticated and logged into the Expenses system.

[register](#)

To Login:

- Your existing **Company Id**
- Your existing **Username**
- Your existing **Password**
- Click **Sign in**
- Or click **Sign in with SSO** if this is your normal login option, and enter your email

Summary

The website URL will stay the same.

Your credentials will not be changed.

Company Id, Usernames, Password, SSO login credentials will not be changed.

The page looks different, but you should sign in as you normally do.
